The Burial Place of Father Andrew Geist (5-2) and Brother Samuel Geist (7-2)

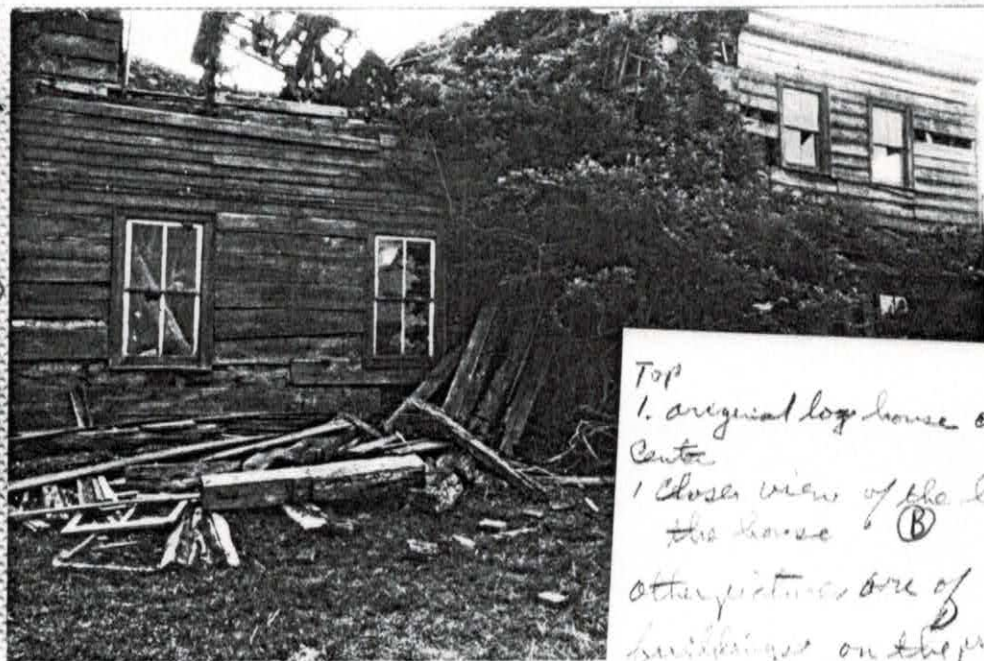

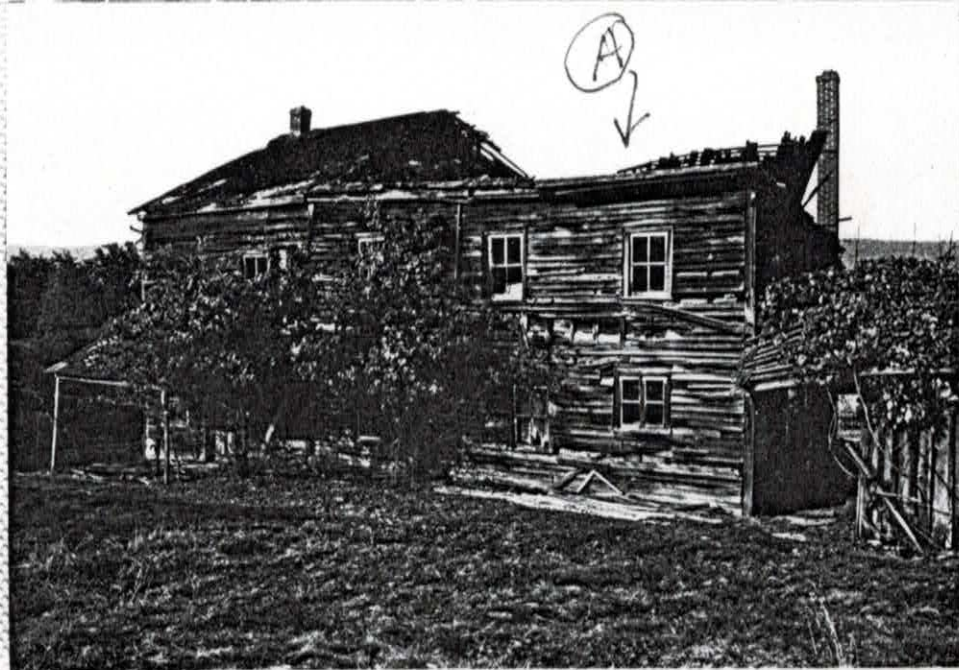

*1st 2 Stones are
Andrew on Right
Wife on Left
Space
2nd 2 Stones are
Michael on Right
Wife on Left*

This was original picture I took on first visit to the farm. On the next couple visits the roof was falling in and on my last visit, the roof was in the basement of the house.

I cannot find this picture or the negative. I may have given it to my son David before he died. This picture shows the roof still in place.

Eliad D. Reitz

Could have been
old Centering
area

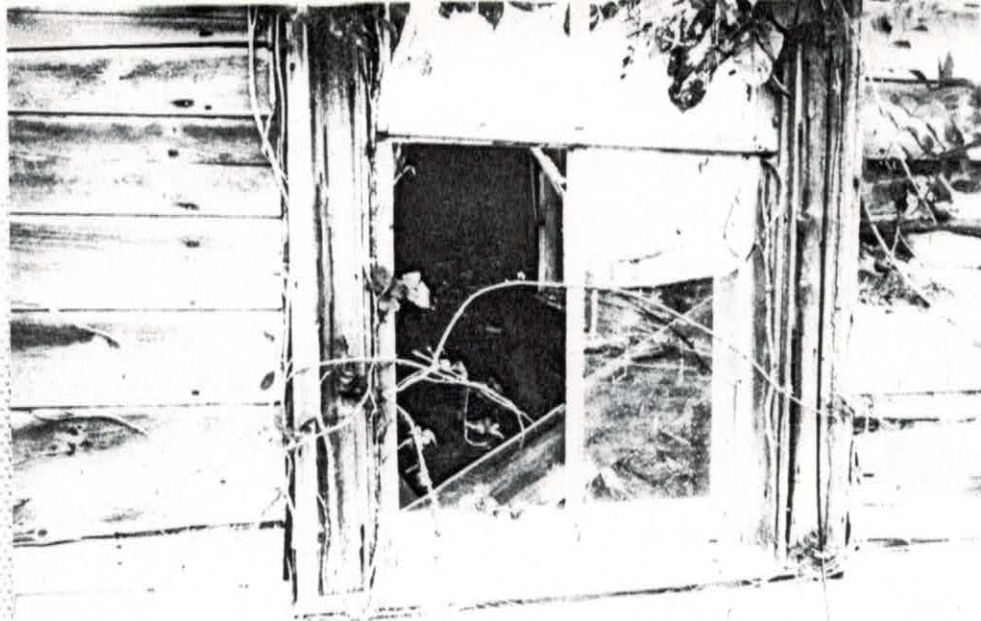

Top right - Picture shows logs
and windows in original
house. (A) - next page

Center left - From the two
stone markers that the kids
are standing on and the level
area back to where David is
standing could have been the
Private Centering area.

Center right & lower right - David
looking at old Pump & well and
then looking at new addition to
old log house. (C) - next page
